### POINTS TO REMEMBER

**All Services** - There will be NO IN-PERSON SERVICES for the remainder of the month of March, including Sunday, Wednesday, and youth meetings. Check our web and facebook pages for details and updates, or call a staff member.

**Service Sunday** - Our Service Sunday is postponed due to the adjusted hours of many of the businesses and offices that we are going to be visiting.

**Bible Study** - Wednesday we began a study on the incredible book by C. S. Lewis called The Screwtape Letters. Join us on facebook as we read the chapters together, go over questions, and have weekly discussion online!

**Live Service Event** - Following along with our Sunday service is now easier than ever! Download the YouVersion Bible app for your device and join our live service event each Sunday. It's free!

**Annual Business Meeting** - We have postponed our annual business meeting. The new date will be announced soon. Reports are still needed from some ministry heads. You have extra time now to complete the membership process in time to vote on the deacons for the church council.

**Collection** - We are continuing to receive donations of underwear and socks for boys and girls, all sizes. These items will be delivered to Children's Services during Service Sunday. We will also be collecting the homemade cookies packaged two in a baggie to give to our police and firefighters on Service Sunday. Keep watching as details of these events are finalized over the next few weeks.

### **Pastoral Greeting**

Good morning, thank you so much for checking out NCA. I'm Pastor Aaron, I hope you'll take a moment to say hi later. We here at NCA want you to know that you are welcome wherever you are on your journey. I want to let you know a bit of what to expect. We have a time of worship followed by a message that we hope challenges you to think and then to go out and be an active participant in the world, we call it being Jesus with skin. Oh and if you haven't decided if you want in on the whole Christ follower thing yet, we understand, just know that we believe we were all designed for relationship, first with God then with each other, and we hope we can show you how much of a difference being a Christ follower can make in your life. We hope we can help you see how much you were designed for relationship with Him. At the end of the day we are here to #justreach.

His Bond Servant
